A MESSAGE FROM TONY

Dear Supporters,
Each year I look forward to sharing an update on the progress of The Sanneh Foundation’s mission to empower kids, improve lives, and unite communities. I am proud to report that each of our core programs – Dreamline, Nutritional Services, Conway Community Center, and Free Community Sports Camps grew and evolved to address and decrease gaps in equity and opportunity for communities of color and low income families.

Our accomplishments demonstrate our strength in responding to what the community and young people need. However, responding to community need requires the collective efforts of our staff, partners, and volunteers.

The Sanneh Foundation has always conceived of itself broadly as an organization built on the power of positive relationships to impact lives and create healthy communities. I am proud to say, thanks to the strength of the relationships in our community, we again were able to provide diverse young people in the Greater Metro Area and St. Cloud with culturally relevant and high quality opportunities to work, learn, play and grow in Minnesota.

Looking ahead, The Sanneh Foundation will continue to invest in people, our number one resource. I take pride in The Sanneh Foundation’s commitment to addressing the needs of the historically marginalized by hiring, training, and providing wrap-around services like transportation, housing, food, and childcare that ultimately lift up and benefit our community. I see it in the faces of the kids, that by investing in them and their caretakers we are creating a future to be proud of, a future that they can look forward to, and a future they can believe in.

OUR WORK, OUR MISSION

The Sanneh Foundation serves the holistic youth development needs of the increasingly diverse Twin Cities metro area and greater Minnesota.
Our mission is to EMPOWER youth by supporting and promoting educational attainment through in-school and after-school support, IMPROVE lives by providing programs that strengthen physical health and social and emotional development, and UNITE communities by advancing diversity, equity, and community well-being.

OUR VISION

The vision of The Sanneh Foundation is to address the range of social determinants that empower youth and improve community well-being through culturally responsive and equitable access to programs, opportunities, and environments.
OUR CORE VALUES

INSPIRING EXCELLENCE

OUR FOCUS

Due to the opportunity gap in the Twin Cities, TSF focuses its support efforts on diverse low-income urban and immigrant youth populations. The overwhelming majority of youth we work with come from communities of color, and the populations we work with speak numerous languages, including but not limited to: English, Hmong, Spanish, Somali, Arabic, Amharic, Burmese, and Oromo.

OUR COMMITMENT TO DIVERSITY, EQUITY, AND INCLUSION

The Sanneh Foundation throughout its history has asserted the dignity of all people without exception. TSF also recognizes that individuals, families and communities are diverse. TSF values and respects this diversity and chooses to be inclusive through its acceptance of all individuals regardless of race, creed, color, religion, sex, national origin, disability, age, military status, pregnancy, genetic information, sexual orientation, gender identity, gender expression, marital status, familial status, with regard to public assistance, membership or activity in a local commission, or other legally protected status. TSF asserts that all individuals, without exception, are intrinsically valuable.
Dreamline is a K-12 in-school and after-school mentoring program designed to improve student's success by building academic and social and emotional skills through supportive, culturally relevant relationships with mentors.

### 21/22 School Year

During the 2021-22 academic year 26 Dreamline mentors provided 3158 hours of support to 413 Dreamline students across 11 Schools in around the Twin Cities Metro Area and St. Cloud.

### Race / Ethnicity of Students and Mentors

  - Hispanic / Latinx: 2%
  - Asian: 7%
  - American Indian / Alaskan Native: 8%
  - White: 38%
  - Two or More Races: 19%
  - Unknown: 6%

- **Mentors - Inside Ring**
  - Black: 4%

### IMPACT

Many struggling students report not having a single adult they trust at school who they can go to for support. Dreamline mentors work to build supportive developmental relationships with their students. Giving students someone to go to while improving student’s sense of belonging and self-belief in the process.

- 83% of students consider their mentor a trusted adult.
- 77% of mentors reported an increase in sense of belonging amongst their cohort.
- 96% of mentors reported an increase in growth mindset amongst their cohort.

### FOOD AND NUTRITION

Sanneh's Food and Nutrition program grew to meet the community's needs during the COVID-19 pandemic. What started as an on-site cafeteria providing warm, healthy meals to youth and families at our Conway Community Center has rapidly grown into a full-fledged nutritional services program. Since 2021, Our nutritional services program has operated out of a 39,000 sq. ft. warehouse space at Saint Joseph's Hospital where storina, sorting, and packada of food takes place. Partnerships with other organizations including Second Harvest Heartland, Hunger Solutions Minnesota, and East Side Table have allowed us to grow our distribution network, which now includes 46 community-based sites across the Twin Cities.

- 46,086 Households Served in 2021
- 233,926 Individuals Served in 2021
- 2,548,240 Pounds of Food Distributed in 2021
Sanneh’s free community sports camps follow a dual track model designed to multiply program impact by creating two layers of programming within one program. Sanne’s camps both improve access to sports camps in communities without them while also providing work experience and professional development training for young workers from marginalized communities. This summer, 2198 participants attended 46 sports camps at 31 locations across the Twin Cities metro.

Showing Up For Underserved Communities

52%
Of participants were eligible for Free or Reduced Price Lunch.

55%
Of Camps were in held in census tracts with a poverty rate greater than 20%.

Camp Locations

The Conway Community Center aims to improve the lives of nearby East Side residents by providing programming and access that directly addresses the disparities in social determinants of health this community faces. The community center increases residents access to out-of-school-time programming (OST), free community sports camps, food distribution, and free state-of-the-art sports facilities.
