Dear Supporters,
Each year, I look forward to sharing what you helped The Sanneh Foundation achieve in our communities.

This past year continued to present multiple challenges for youth and families in our communities due to the COVID-19 pandemic. Youth continued to come to Conway for virtual classes, we held Gala4Goals virtually, and our food distributions grew.

Your contributions of time and resources ensured The Sanneh Foundation was able to continue serving youth and families in a difficult time for many.

This last year, we have been working hard to improve athletic opportunities at Conway Community Center. We are excited to have completed the renovation of the athletic fields, which allows a safe space for the community to gather and play!

Our Nutritional Services program grew to distributions throughout the Twin Cities, partnering with other organizations and hosting a distribution at Corcoran Park in South Minneapolis.

Dreamline staff were able to return to schools and mentor the many youth who were impacted by the distribution of classes due to the COVID-19 pandemic. Now, more than ever, youth need support in the classroom.

In another year of worldwide uncertainty, we are incredibly fortunate for the outpouring of support we have received. With gratitude and hope for what we will accomplish together in 2022, Tony.

The mission of Sanneh is to Empower youth, Improve lives, and Unite communities. Sanneh empowers youth by supporting and promoting educational attainment through in-school and after-school support, improves lives by providing programs that strengthen physical health and social and emotional development, and unites communities by advancing diversity, equity, and community well-being.
The Sanneh Foundation completed renovations of the Conway Community Center fields in summer 2021, making way for a safe space for the community to gather and play!

Conway is a thriving public space that offers diverse and free youth programming, and is a safe place for local youth to spend time outside of school. Sanneh offers programming 80 hours each week, seven days a week! Sanneh has afterschool programs and well as all-day programming in the summer!
The Sanneh Foundation offers week long summer and community day camps. These camps are for youth in the twin cities between ages 6 to 12 years old. With a goal of promoting physical health, fitness, and dental hygiene, these camps have become an integral part of the summer activities for many kids across the Twin Cities area.

The Sanneh Foundation believes that it is critical to guide youth development beyond just the field and actively works toward this by incorporating information about health, education, drugs and alcohol use, as well as cultural awareness. They encourage a sense of community through universal excitement for sport in their camps.
Dreamline is the Sanneh Foundation’s flagship program that recruits and trains mentors and coaches with a shared cultural background to provide critical interventions in social-emotional learning, culturally-responsive mentoring, and academic support.

The purpose of the Dreamline Program is to focus on building real and authentic relationships not only for professional educators but also mentors and coaches, by providing guidance on an emotional level as well as working at developing cognitively stimulating lessons for each child they teach.
Food insecurity and access remains a critical community need and, through partnerships and our Nutritional Services programming, each week families can access fresh produce and packaged meals through our onsite and mobile distribution efforts.

This year, we expanded Nutritional Services programming to include a hosted distribution at Corcoran Park in South Minneapolis.
# 2021 Financial Statement

**Balance Sheet**
